IT IS on this 20 day of April, 2011

ORDERED that the Clerk of the Court shall serve copies of the Petition, and all other documents docketed in this matter, upon Respondents, by certified mail, return receipt requested, with all costs of service advanced by the United States; and it is further

ORDERED that Respondents shall file a full and complete answer to all claims asserted in the Petition within 45 days of the entry of this Order, see Ukwabutu v. Morton, 997 F. Supp. 605 (D.N.J. 1998); and it is further

There shall also be attached to the answer such portions of the transcripts as the answering party deems relevant. The court on its own motion or upon request of the petitioner may order that further portions of the existing transcripts be furnished or that certain portions of the non-transcribed proceedings be transcribed and furnished. If a transcript is neither available nor procurable, a narrative

summary of the evidence may be submitted. If the petitioner appealed from the judgment of conviction or from an adverse judgment or order in a post-conviction proceeding, a copy of the petitioner's brief on appeal and of the opinion of the appellate court, if any, shall also be filed by respondent with the answer." Rule 5 of the Rules Governing Section 2254 Cases in the United States District Courts; and it is further

ORDERED that Respondents' answer shall address the merits of each claim raised in the Petition as to whether the Petitioner has made a substantial showing of the denial of a constitutional right; and it is further

ORDERED that the answer shall contain an index of exhibits identifying each document from the relevant state court proceedings that is filed with the answer; and it is further

ORDERED that Respondents shall electronically file the answer, the exhibits, and the list of exhibits; and it is further

ORDERED that all exhibits to the Answer must be identified by a descriptive name in the electronic filing entry, for example:

"Exhibit #1 Transcript of [type of proceeding] held on XX/XX/XXXX" or
